

Overview

The purpose of this notification is to communicate that Xilinx is discontinuing certain die sales products in Spartan®-3A, Spartan®-3E, CoolRunner™-II, CoolRunner™ XPLA3 and Virtex®-II Pro product families.

Description

Specification Control Document (SCD) 0628 and (SCD) 4140 are the ordering code for die sales products. There were no order transactions since January 2008 for certain die sales products as shown in [Table 1](#): Die Sales Product Affected. Therefore, these products will be discontinued with no replacement part.

This notice should be used in conjunction with previous discontinuance notices which can be found at Xilinx.com.

Key Dates and Ordering Information

These affected parts will be discontinued effective immediately, upon the release of this PDN.

Technical Support

For Technical Support on these products refer to Solution Center [Xilinx Answer Record 40174](#). Support for these products will be limited to tools usage and existing documentation.

Response

Customers are requested to place last-time-buy orders in a timely manner prior to the key dates listed above to avoid product availability issues. If you anticipate that your last time buy requirements will exceed the current rate, please provide your Xilinx Sales Representative with a forecast of the requirements. All orders will be supported on a first-come, first-served basis. All orders placed within 60 days of the last time buy date will be non-cancellable and non-returnable (NCNR). For additional information or questions, contact your local Xilinx Sales representative.

Important Notice: Xilinx Customer Notifications (XCNs, XDNs, and Quality Alerts) can be delivered via e-mail alerts sent by the Support website (<http://www.xilinx.com/support>). Register today and personalize your "Documentation and Design Advisory Alerts" area to include Customer Notifications. Xilinx Support provides many benefits, including the ability to receive alerts for new and updated information about specific products, as well as alerts for other publications such as data sheets, errata, application notes, etc. For information on how to sign up, refer to [Xilinx Answer Record 18683](#).
