

# Product Change Notification PCN95003

## Withdrawal of the XC1765DDD8R (Obsolete Device)

---

**Subject:** Product Change Notification (PCN95003) Withdrawal of the XC1765DDD8R.  
(Obsolete Device)

**Products Affected:** XC1765DDD8R

**Change Description:** The above product is being withdrawn due to the availability of full military versions (XC1765DDD8B and SMD-5962-94717).

**Product Change:** The XC1765DDD8R was an interim device which filled the need for a high reliability military temperature part for that period of time that full B-grade and/or SMD versions of the XC1765 were not available.

**Reason For Change:** This product is being enhanced at the request of our customers, who have requirements for full **B-grade** or **SMD** versions of this part. Both the XC1765DDD8B and the SMD-5962-94717 are form, fit and functionally compatible with the XC1765DDD8R and utilize the same programming algorithm.

**Key Dates:** The last order date for the XC1765DDD8R part is **15 October, 1995** for delivery prior to **15 April, 1996**.

**Response:** No response to this notification is required. Requests for additional data or support should be made within 90 days of notification. Please address any questions you may by email to "[pcn@xilinx.com](mailto:pcn@xilinx.com)" or directly by fax at 408 559 1368.
