XC40200XV-BG432	XC40250XV-BG432
XC40200XV-BG560	XC40250XV-BG560

Change Description: Xilinx is discontinuing the above product/package combinations (all speed and temperature grades) and providing our customers with two years notification to plan for the obsolescence and/or replacement of these package/ product combinations. This is believed to be the most customer responsive discontinuation policy in the industry.

Reason For Change: The above product/package combinations have declined in customer usage to the point where continued manufacturing is becoming no longer economical. In order to continue Xilinx evolutionary process of cost reductions it is necessary to discontinue these product/package combinations.

Action Required: Assistance in planning for replacement of the above product/package combinations is available. Please contact your Xilinx sales representative for more information.

Key Dates:

Final Orders accepted until 15 January 2002

January 15, 2000

Final deliveries on or before 15 April 2002

Immediate response to this notification is not required. For any questions regarding this PDN you may contact Xilinx via email at pcn@xilinx.com or by fax at 408 559 1368.
