

Product Discontinuation Notice PDN2001-03

Withdrawal of certain commercial low volume device-speed combinations (XC4000XL in the –08 speed grade)

Subject: – Withdrawal of certain commercial low volume device/speed combinations (see table below). All packages and all temperature grades of these product offerings are affected. Note however, that *no Xilinx Military product offerings are affected.*

Products Affected:

<u>Device</u>	<u>Speed</u>	<u>Recommended Replacement</u>
XC4013XL	all –08 speed grades	XC4013XLA-08
XC4036XL	all –08 speed grades	XC4036XLA-08
XC4062XL	all –08 speed grades	XC4062XLA-08

Change Description: Xilinx is discontinuing the above device/speed combinations and providing our customers with one year notification to plan for the obsolescence and/or replacement of these product combinations.

Reason For Change: The above device/speed combinations have declined in customer usage to the point where continued manufacturing is becoming no longer economical. In order to continue the Xilinx evolutionary process of cost reductions, it is necessary to discontinue these product combinations.

Key Dates:

Final orders accepted until January 15, 2002

Final deliveries on or before April 15, 2002

Replacement Devices: Assistance in planning for replacement of the above device/speed combinations is available. Please contact your Xilinx sales representative for more information.

Response: Immediate response to this notification is not required. For any questions regarding this PDN you may contact Xilinx via email at pcn@xilinx.com or by fax at (408) 369-1718.
